REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

This has been an exciting and challenging 2007-2008 school year. Emerald High School offers a positive, inviting, academic environment where all students are challenged to pursue higher standards of excellence. We believe that students, parents, faculty, and staff are a team who together are responsible for the education of productive and responsible citizens.

This year and throughout the coming years, we will focus on change. Change is necessary in order to make improvement for the betterment of our students. In light of the focus on change, our goals are to continue to provide improvement in the following areas: building strong relationships with our students; creating single gender classrooms in our Freshmen Academy Program in language arts and mathematics; creating a mentor and advisor/advisee program; focusing on differentiated instruction to engage all students in the learning process; increasing parental involvement; and increasing community/business sponsors.

Emerald High School has a rich heritage of excelling in academics, athletics, and the arts. It is our desire to improve upon this rich heritage by making Emerald High School the best high school in the state of South Carolina.
